Speaker: *Ron Shockey, RPh., Inspector, Nevada Board of Pharmacy*

By the end of this program, pharmacists or technicians will be able to:

1. Apply pharmacy laws regarding expiration date labeling requirements for prescriptions dispensed in the community setting.
2. Describe requirements for ordering schedule II drug products.
3. Identify situations in which information in a schedule II prescription can be legally changed.
4. Identify legal requirements for counseling of patients upon dispensing prescriptions.
5. Describe the applicable laws regarding the transfer of prescriptions between pharmacies.
6. Identify proper procedures for notifying the Nevada State Board of Pharmacy for address and employment changes.
7. Identify the proper procedures for handling electronic prescriptions.
8. Identify the proper procedures for the storage of refrigerated prescription products.

Target audience: Pharmacists and technicians practicing in Nevada who wish to meet their law-specific CE requirements. The program will primarily focus on community pharmacy practice. No outside funding has been provided.

The University of Southern Nevada College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a Provider of continuing pharmacy education. The Nevada Pharmacy Law program provides 1.0 hour (0.1 CEU) of knowledge-based continuing education credit (ACPE program numbers **0455-0000-10-004-L03-P** and **0455-0000-10-004-L03-T**) after successful completion of a post-test at the minimum proficiency level and the program evaluation. First accredited program offering: March 24, 2010. The Nevada Pharmacy Law program changes in content every 2 years, so all Nevada Pharmacy Law programs offered by USN in 2010—2011 will be the same. Participants may also register on site on the day of the program, subject to space limitations. Greater than 10 days before the scheduled program, full refunds may be issued minus a 20% administrative fee. Less than or equal to 10 days before the scheduled program, no refund will be issued. Statements of credit will be mailed or emailed to participants no later than 30 days after the completion of the program.
